

**Imagine living with
your children in a tiny,
cramped apartment,
paycheck to paycheck -
when a fire strikes.
You and your children
get out alive, but
your food, clothes,
just about everything
you have is gone.**

**Children's
FRIEND**

A sudden crisis can be difficult for anyone, but when a family is already close to the edge, a crisis creates a desperate, immediate need.

Children's Friend is where a family can get immediate, vital help with essentials like housing, food, baby supplies and medical assistance.

Please give to Children's Friend and invest in the vulnerable children and families of Rhode Island.

Designate your United Way donation to Children's Friend:

1. Look for the lines at the bottom of the "my investment" section on your pledge form.
2. Then add Children's Friend, 153 Summer Street, Providence, RI 02903 on the agency name and address line.

Donations may also be made directly to Children's Friend at childrensfriendri.org.

Thank you for your support.
